

Together

I wanna be free

Love is what I really need

And I know your love

You really know me

Together is super fun

I love you so much

Fire

Wood is on fire

The house is very warm now

Furnace is burning

My house is burning

Time is running out so fast

Ashes are lost there

Food

Eating is funny

We stuff food in our heads

I have to find food

I need to eat food

I'm so hungry I'm desperate

I'm desperate for food

Sunsets and flowers
Are beautiful but they have
nothing in common.

What am I doing
I don't have an idea
Can you send help please?
(B. Shala, 3.a TR)

Time

Time is running fast
It's late when we understand
So really enjoy.

Sometimes it's boring
Days are going way too fast
Good things need doing.
